

QUALITY CZECH CUTLERY

TRADITIONAL CZECH HANDMADE PRODUCTS

The Czech Republic has  
a long history of handmade products.

It is an inseparable element of Czech glass, porcelain  
and handmade cutlery from Moravská Třebová  
with a long tradition dating back to 1883.

TONER®  
is a Czech manufacturer of quality cutlery,  
serving utensils and other dining accessories.

TONER® is composed of the words  
Továrna NERezu  
and means that all processed  
materials are exquisitely  
made of special imported stainless steel  
from Italy and Japan.

QUALITY CZECH CUTLERY

TONER®

TRADITION SINCE 1883

  
TONER®  
stainless

Cutlery from the Czech company  
used by our great-grandmothers  
by aristocratic families across Europe  
during the times of the Austro-Hungarian Empire  
and thanks to the high quality and innovation of  
TONER®

they will certainly continue for  
generations to come.

Quality cutlery from Moravská Třebová  
known throughout Europe  
not just under the traditional trademark  
TONER®,

but also under the historical brands  
of BIBUS, SANDRIK and ROSTEX.

TRADITIONAL TECHNOLOGY · INNOVATION · A PERSONAL APPROACH

Decorative gilding, engraving and finalization of cutlery takes place with the highest precision.

Each piece of cutlery passes through more than thirty pairs of careful hands, before you place it on your table setting.
